

Venturing ILSC Training

Did you know there is more to Venturing than high adventure treks? Come and discover what Great Trail Council is doing to make Venturing more exciting! We have planned a weekend full of fun. Special activities may include land navigation requirements like a night hike with GPS, pistol and rifle shooting, capture the flag with GPS, board games, card games, social time.....
The possibilities are endless. The activities are being planned by you, the youth of GTC. Come to the Venturing Forums with your ideas to make this weekend a huge success.
